

INTERprint SILK-SCREEN PRESS

Quality at the right price!!

Looking for a fully-featured, web fed Silk-Screen press that won't break the bank?

Our **INTERprint** machine may be the answer to your prayers.

Strong construction and single phase power requirement provides reliability and economy of performance. This press takes Adhesive Label stocks, Films and Papers in it's stride....and it has all the controls to make operation a breeze, including auto-stock feed and a digital control panel that addresses the key machine functions. In addition, you get re-registration capability with exceptional accuracy.

The **INTERprint** Silk-Screen Press comes standard with UV Curing and an Unwind Unit.
